

The King's Academy

Student-Led Peer Tutoring Program

The King's Academy is continuing its student-led tutoring program, where students in grades 7th through 12th are able to receive free tutoring from classmates who excel in certain classes. This program offers assistance with homework and test preparation and help for students to master their subjects through deeper understanding.

Please make sure to attend the teacher's after school help classes for a period of at least four weeks before requesting a peer tutor. The teacher's signature below indicates that the student has attended these teacher directed tutoring sessions for at least four weeks.

If interested in participating in this free tutoring program, please fill out the bottom portion of this form and return it to your Counselor in the High School Office.

Availability of tutors is limited to interested student volunteers.
