

Program Mission

The King's Academy exists to assist the home and church in their endeavor to "train up a child in the way he should go" (Proverbs 22:6). Its mission is to share salvation through Jesus Christ and to graduate Christian leaders who seek to impact their world for the King of kings through academic excellence and spiritual vitality.

With a full menu of Non-Traditional Programs from which to choose, TKA is now able to expand its reach to serve those outside of the nearly 1300 students already studying on campus each day. Through the Homeschool Partnership, TKA Online coursework, Hybrid, and Summer School programs, The King's Academy is able to meet the need and expand the list of available options for non-traditional learners and their families.
