

# DONORS

The Dedicated to Excellence Campaign, made possible through the generosity of more than 350 parents, grandparents, alumni, and friends, has allowed so many improvements to The King's Academy's campus. The centerpiece of which we celebrate today as we preview the Page Family Center for Performing Arts. God has blessed TKA through you, the donors, who made it possible. You have "excelled in the grace of giving," as Paul says in II Corinthians 8:7. Thank You!
